

Note Family Scavenger Hunt

Look at the birdhouse! Its shape sitting at the top of its pole resembles a Quincy Quarter Note upside down.

This American flag flying on its pole is similar in shape to a Quincy Quarter Note upside down.

The trunk of this little tree looks like a Quinton Quarter Rest. The bent C shape at the bottom is hidden behind the poison ivy!

The mailbox on its post looks like a Quincy Quarter Note upside down.

The squiggly branches and limbs of this tree look like a Quinton Quarter Rest.

The clusters of leaves and branches on this fig bush resemble (a pair of) beamed Ellie Eighth Notes.

Note Family Scavenger Hunt

This row of mailboxes resembles the stems and beam of (a pair of) beamed Ellie Eighth Notes.

Look at this swing set! The chains are the stems and the frame of the swing set is the beam of (a pair of) beamed Ellie Eighth Notes. The seats of the swing are the oval note heads.

These water pipes resemble the stems and beam of (a pair of) beamed Ellie Eighth Notes.
